WS Stakeholder Pension Scheme: Terms and Conditions

IMPORTANT INFORMATION – PLEASE READ AND KEEP FOR YOUR FUTURE REFERENCE.

These Terms and Conditions form a legally binding agreement between you and us. For your own benefit and protection you should read these Terms and Conditions and the Key Features of the WS Stakeholder Pension Scheme before you sign the declaration on the Application form. If there is anything you do not understand please speak to a financial adviser or contact us.

Words in italics are explained in the Glossary at the end of the document.

If you would like a copy of these Terms and Conditions in Braille or large print, please contact us. Our contact details are listed in section 15.

1. General

1.1. Your Application, Membership Certificate, Plan Conditions and this preamble all form part of Your Plan.

1.2. Together these documents evidence the contract between you and us. In return for Payments as shown in your Membership Certificate we will provide you with benefits in accordance with your rights under Your Plan.

1.3. Your Plan Conditions set out your rights and obligations under Your Plan. The Membership Certificate only shows the details at the start of Your Plan, which relate directly to you. It does not reflect any changes you subsequently make during the lifetime of Your Plan.

1.4. Any Endorsement made by us to Your Plan Conditions will amend the contract between you and us and will form part of Your Plan.

1.5. We acknowledge receipt of the Payments due at the Start date.

1.6. The WS Stakeholder Pension Scheme is a Non-UCITS Retail Scheme (NURS) and an Alternative Investment Fund under the Alternative Investment Fund Managers Directive.

1.7. The Scheme has been established as an authorised unit trust. We are the manager of the Scheme.

1.8. You become a member of the Scheme by acquiring Units in the Scheme.

1.9. Please refer to the WS Stakeholder Pension Scheme Prospectus at pensions.fundsolutions.net for further details on the Scheme including general investor information and data protection practices, the WS Stakeholder Pension Scheme and its investment objective, the underlying funds and their investment objective, risk factors, risk management, Unit valuations, trading processes, charges and expenses. Or alternatively you can obtain a copy by contacting us on 0371 384 2591.

1.10. By applying for membership of the Plan you agree to be bound by the Trust Deed and Rules.

2. Our role

2.1. We administer and manage Your Plan. Our services include:

2.1.1. setting up Your Plan;

2.1.2. coordinating the transfer of your existing pension scheme(s) into Your Plan;

2.1.3. providing you with annual statements showing the value of Your Plan;

2.1.4. calculating and paying claims for death benefits, where appropriate.

Further information about each of these services can be found in this document.

3. Payments to Your Plan

Payments

3.1. Payments made to Your Plan can be made by you, your employer and/or any other person on your behalf. They can be increased, decreased, stopped or started at any time and can be made by any method subject to our agreement. Payments will be used to purchase Units in one or more of our constituent funds.

3.2. Contributions will be invested within one working day of the date of receipt of application and payment.

Transfers in

3.3. Transfer payments will be accepted from another Registered Pension Scheme subject to their meeting the requirements of the Rules relating to the acceptance of transfers. We do not accept transfers from Qualifying Recognised Overseas Pension Schemes (QROPS).

Indexation option

3.4. The indexation option allows regular monthly Payments to be increased automatically. This can be done annually at a rate between 3% and 10% (in whole percentages). The percentage increase is applied to the regular monthly Payments made during the preceding year. If you have selected this option it will be shown on your Membership Certificate. Increases will take effect on the anniversary of the Start date of Your Plan. You may choose to stop, start or change the rate of increase at any time.

Tax treatment of payments

3.5. Payments shown on your Membership Certificate include, where HM Revenue & Customs (HMRC) allows, tax relief at the basic rate of income tax, currently 20%. We will collect the amount of this tax relief from HMRC. Your contract is for the gross payment so if the basic rate of income tax changes, the amount you actually pay will change. If you pay higher or additional rate tax you will need to claim back any extra tax relief allowed through your tax office. Tax relief claimed from HMRC will be invested in Your Plan when received.

Payments made by your employer are paid gross.

Transfer payments do not qualify for tax relief because any tax relief to which you were entitled should have already been claimed by the transferring scheme.

3.6. All references to tax rates and the treatment of subscriptions, your pension fund and its usage are based on our understanding of applicable tax and pensions legislation as at the date this document was produced. Such legislation may change from time to time. Appropriate tax and pension advice should be taken at the point any action is contemplated in respect of Your Plan.

Lifetime Allowance

3.7. If the value of your pension benefits exceeds your Lifetime Allowance, a tax charge (the Lifetime Allowance charge) could be applied to the excess (unless you have already applied to HMRC for protection – in which case you must provide us with a copy of your protection certificate).

3.8. We will test your benefits against the Lifetime Allowance based on the information you have provided to us, and provide you with a statement of the amount of your Lifetime Allowance you have used under Your Plan every time you take benefits under Your Plan before the age of 75, when for example:

- 3.8.1. you take tax-free cash;
- 3.8.2. you buy a lifetime annuity;
- 3.8.3. you start drawdown;
- 3.8.4. there is a lump sum payment in the event of your death if death occurs before age 75.

3.9. When you reach age 75, any funds held in your Stakeholder Plan, and any other pension plans, will be measured against your Lifetime Allowance. This will be the final assessment of your benefits against the Lifetime Allowance under Your Plan.

3.10. Benefits which are taken in excess of the Lifetime Allowance are subject to a charge of 55% if taken as a lump sum, or 25% if moved to an annuity or drawdown product and then taxed at your individual marginal rate when taken as income.

3.11. If your pension savings are close to the Lifetime Allowance, or if you are in any doubt about this or you have enhanced or fixed protection on your pension savings you should consult with a financial adviser.

4. Annual Allowance

4.1. You have an Annual Allowance for tax relief on pension contributions. The amount of tax relief you can claim varies depending on your level of earnings and whether you have accessed your pension savings. This is the amount you can save each year into any type of pension and still receive tax relief. If any of the following events with any pension providers occur, your Annual Allowance for contributions into defined contribution pension plans will reduce. This reduction in Annual Allowance applies across all the defined contribution pension plans you belong to if:

- 4.1.1. you take an uncrystallised fund pension lump sum from your pension pot;
- 4.1.2. you take a cash withdrawal from your Plan;
- 4.1.3. you take an income payment from a flexi-access drawdown plan;
- 4.1.4. you take an income payment under a flexible annuity; or
- 4.1.5. you take an income payment which exceeds your maximum income allowance from an existing capped income drawdown plan.

4.2. If you trigger one of these events with an WMUK pension product (including when you first take a taxable cash withdrawal from Your Plan), we will notify you of your new Annual Allowance in writing within 91 days.

4.3. If you have not taken your first cash withdrawal from Your Plan, and you have triggered any of the above events with any other pension providers, you will need to notify us of this.

4.4. If you make any contributions in excess of your Annual Allowance, you should speak to a financial adviser about the tax implications.

4.5. For a summary of our understanding of current tax rate and allowances see our Summary of Pension Scheme Taxation. However, we are not authorised to provide you with tax advice and you should ensure you are aware of the tax treatment of your plan. You should consult HMRC or a suitably qualified tax professional if you require information or advice relating to your own circumstances.

5. Buying Units

5.1. All Payments will be used in full to buy Units in Your Plan. The amount of each Payment used to buy Units will be divided between the different constituent funds, which you have selected, in the proportions you have selected. If you do not choose a fund, however, your Payments will automatically be used to buy Lifestyle Profile 1 (the Default Option).

5.2. Units will be bought at the Mid Price and are subject to an Annual Management Charge, as described in section 8. We will publish this price on our website pensions.fundsolutions.net. They will be bought using the Mid Price at the first valuation point after we receive a valid Payment. Valid in this context means that the Payment is accompanied by the Application or relevant written instructions from you or is expected as part of the contract between you and us. Subject to paragraph 5.3 below, valid also means that the Payment is cleared.

5.3. All Payments must be made in full in sterling, and without any deductions whatsoever. We reserve the right to request verification of the source of funds before accepting them, evidence of identity of third parties making Payments and address and/or other information requested by WMUK to enable us to comply with our obligations under Anti-Money Laundering requirements and, until such time, the relevant amount shall be treated as unpaid. We may, in our reasonable discretion, choose to deal before receipt of cleared funds from you. In such case, if cleared funds are not received from you within five Business days of receipt of your Application form or other instruction, we may sell or realise the relevant investment without further notice to you in order to meet any liabilities which we may have incurred on your behalf. In the event of such a sale or realisation, we shall be entitled to transfer such investments to such persons as we shall specify and, recover any shortfall from you.

6. Fund information

About the funds

6.1. The property of each fund is held by the Trustee of the fund on trust for the holders of Units in that fund. Your interest in a fund is the beneficial interest of a beneficiary under a trust. Your Units must remain invested in order to provide benefits for you. We have the power to merge any two or more of the funds, to enlarge or diminish the scope and nature of each of the funds, to introduce new funds and to divide any fund into two or more separately identifiable funds.

6.2. We invest the funds as we see fit and any stamp duty or other charges incurred directly in the sale or purchase of securities or property held for the purposes of the Scheme are payable out of the property of the relevant fund. Any income from any assets (including, but not limited to, interest, dividends, rights or other proceeds in respect of investments held by us for you) is added to that fund.

6.3. Whenever Units in a fund are created or liquidated we respectively credit or debit that fund with cash or assets equal in value to the number of those Units multiplied by the relevant Mid Price.

6.4. Your Units cannot be lent to a third party nor used as security for a loan.

Valuation of funds

6.5. We will calculate the value of the funds every working day. Additional information regarding the funds is contained in the WS Stakeholder Pension Scheme Prospectus, which is available on request.

7. Switching and redirecting

7.1. You may switch all or part of your existing Pension Pot into any of the investment funds available under the Scheme. Units will be sold at the first valuation point following receipt of your written instructions. The purchase of Units will then take place at the next valuation point. This will normally be on the following Business day.

7.2. Fund switches are allowed at any time. Currently, there is no charge for switching between funds and no limit on the number of switches. We reserve the right to introduce and/or vary the minimum you can switch and/or hold in the funds. You may choose to redirect future Payments under Your Plan into a different fund at any time.

8. Charges

8.1. The current Annual Management Charges (AMC) for each fund are published in the WS Stakeholder Pension Scheme prospectus. We reserve the right to vary the charge, but we will let you know at least 60 days before we make any increase.

8.2. As the Scheme is registered as a stakeholder scheme with the Pensions Regulator, the Annual Management Charge will not be more than the maximum allowed for stakeholder pension schemes.

The maximum stakeholder charge is, currently, 1.5% a year of the value of the Pension Pot for the first ten years of Your Plan and 1% a year after that.

8.3. Additional information regarding charges is contained in the WS Stakeholder Pension Scheme Prospectus, which is available on request.

9. Security Option

9.1. The Security Option is designed mainly for customers looking to access their pension at their Selected Retirement Date. The Security Option is set out in the Key Features Document.

9.2. During the five years before your Selected Retirement Date we will automatically move your investment, when relevant, into the Security Option as set out in the Key Features Document. The Security Option is included automatically within Your Plan unless you specifically request otherwise. If you are less than five years from the year before your Selected Retirement Date as at 14 October 2022 your pension fund, and any ongoing Payments, will be and remain, invested wholly in the WS Cash Pension Fund, unless you had requested otherwise.

9.3. Advantages and disadvantages of the Security Option

	Advantage	Disadvantage
When to change your investment	Your money is automatically switched for you during the five years before your retirement.	You do not choose when to change your investment as it is set by the Security Option.
Frequency of change	The automatic switching ensures that your money is not moved all in one go. The steady movement means you are not subject to your whole investment moving when the market is low.	Timing is fixed and not reflective of market conditions which means you may miss out on growth in the market.
Investment risk	The Security Option reduces the potential to lose a significant amount due to a market downturn at or before your Selected Retirement Date.	Although designed to reduce investment risk the Security Option doesn't guarantee the value of your Pension Pot, so it can still fall in value.

You can stop the Security Option at any time, just write to us at the address shown in section 15 Communications.

If you have any questions regarding the Security Option, please speak to your financial adviser or contact us.

10. Death

10.1. In the event of your death, your personal representative should contact us as soon as possible.

10.2. We will need to see an original registrar's copy of the death certificate as soon as possible, to record your death in our records and start the claims process.

10.3. When you apply for Your Plan you will be asked to nominate a beneficiary to receive benefits from Your Plan when you die.

10.4. Beneficiaries can be a dependant, nominee, successor or a charity if there are no dependants.

10.5. Under current rules, when you die, the value of Your Plan will be used by the Trustee, in accordance with the provisions of the Trust Deed and Rules, to provide benefits to one or more beneficiaries you have nominated in such proportions as the Trustee thinks fit. The Trustee will take into account your wishes but is not legally bound to follow them. As the Scheme administrator, we will assist the Trustee in determining the recipient(s) of your death benefits which we will then pay in accordance with the Trust Deed and Rules.

10.6. On receiving an original copy of the death certificate, the remaining value of Your Plan will be switched into the WS Cash Pension Fund. The WS Cash Pension Fund is a low volatility fund and so reduces the risk of market conditions adversely affecting the remaining Plan value as the claims process progresses.

10.7. If you die before the age of 75 the value of your pension benefits will be tested against the Lifetime Allowance. Please see section 3.7-3.11 for further information.

10.8. Before making any payment to any beneficiary, we will deduct any tax if we are required to do so by HMRC.

10.9. The tax treatment of your fund on death is subject to a number of factors including:

- your age.
- the timing of notification to us. (It is in your beneficiaries' interests in certain circumstances to notify us promptly, or higher amounts of tax may become due. You should therefore take such steps as you see fit to enable prompt notification to be made if you wish to reduce this risk.)
- the nature of any beneficiaries.
- the Payment type chosen.
- applicable tax and pensions legislation at the time.

10.10. Death benefits paid under Your Plan are normally free of inheritance tax. However, it can apply on occasion. If you have any doubts or queries, please consult a suitably qualified tax professional.

10.11. If on your death your beneficiary is under the age of 18 or unable to give us instructions about how they wish to receive their benefits (for example because they lack the mental capacity), we will take instructions from the person who has authority to deal with their affairs.

10.12. Following your death, where a person becomes entitled to a beneficiary's benefits from Your Plan, that person may elect to establish a drawdown plan themselves. This new plan would be subject to the Trust Deed and Rules and the Terms and Conditions.

10.13. You can change your nominated beneficiaries at any time. If you wish to do this, please write to notify us or complete a Nomination of Beneficiaries form available on our website.

10.14. If you need advice on what will happen to Your Plan when you die, we strongly recommend you contact your financial adviser.

11. Limitation of liability

11.1. We will not be liable to you for any losses or expenses suffered by you as a result of a delay or failure due to circumstances beyond our reasonable control (for example, because of failure of computer systems or telecommunications links or overriding emergency procedures, postal delays, flood, fire, storm, labour disputes (outside of WMUK and/or our Associates), accident, vandalism, malicious damage, war or terrorism). We will, where possible, take such reasonable steps as we can to resume our service to you as soon as possible following any delay or failure.

11.2. Subject to clause 10.6, our liability to you under these Terms and Conditions is limited to losses directly caused by the deliberate or careless mistakes, or fraudulent action of us and/or our Associates.

11.3. We will not be liable to you to the extent that we properly rely on information or instructions supplied by you or which claim to come from you, so long as they reasonably appear to come from you or on your behalf.

11.4. You will be responsible for any losses and/or expenses which are the result, and which a reasonable person would consider to be the probable result, of any untrue, misleading or inaccurate information deliberately or carelessly given by you, or on your behalf, arising from or in connection with these Terms and Conditions or the transactions contemplated by these Terms and Conditions, except to the extent such losses and/or expenses are determined to have resulted from the deliberate or careless mistakes, or fraudulent actions of WMUK and/or its Associates.

11.5. Nothing in these Terms and Conditions shall exclude or limit:

- a) our liability for death or personal injury resulting from our negligence; or
- b) our liability for any losses or expenses suffered by you as a direct result of our deliberate mistakes or fraudulent actions; or
- c) any liability that we may have to you under the FCA Rules; or
- d) any other liability which cannot be excluded or limited by law.

12. Taking benefits

12.1. You may choose to take your benefits from your Selected Retirement Date, or from an earlier or later date as long as it is on or after the minimum pension age, currently 55.

12.2. It may be possible for you to take your benefits earlier than the minimum pension age if you provide WMUK with satisfactory medical evidence that you have stopped work because you are (and will continue to be) incapable of carrying on your occupation because of physical or mental impairment. The value of your Pension Pot will be calculated at the first Mid Price after our receipt of all our claim requirements. All benefits under the Scheme are payable only in accordance with the Scheme Rules.

13. Transfer benefits

13.1. You may transfer the value of your Pension Pot to another Registered Pension Scheme or Qualifying Recognised Overseas Pension Scheme. The value of your Pension Pot will be calculated at the first Mid Price after our receipt of all our claim requirements. If transferring overseas, the Scheme must demonstrate it meets HMRC's definition of a qualifying scheme, otherwise an unauthorised payment may result, incurring an unauthorised payment liability on you to HMRC of up to 40%.

14. Delegation of functions

14.1. Subject to Applicable Law, we may delegate any of our functions or responsibilities under these Terms and Conditions to any person provided that before doing so we satisfy ourselves that such person is competent to carry out those functions and responsibilities.

14.2. On giving you at least 30 days' notice, we may appoint an Associate as manager of the Account in our place. In such circumstances, that Associate will manage the Account in accordance with these Terms and Conditions.

14.3. You may not transfer any of your rights or obligations in relation to your Investments to another person.

15. Your Plan – Additional information

About Your Plan

15.1. Your Plan has been issued under the terms of the WS Stakeholder Pension Scheme. The Scheme is a Registered Pension Scheme under part 4 of the Finance Act 2004. Statements in these Plan Conditions about tax treatment of Payments and benefits are dependent on the Scheme continuing to be a Registered Pension Scheme. The Scheme registration number is 00623516RF.

15.2. The Scheme complies with The Stakeholder Pension Regulations 2000 as amended from time to time. The Scheme is a contract-based arrangement established by Trust Deed that adopted the Rules. All Payments and the benefits they provide under Your Plan are subject to the Rules.

15.3. We reserve the right to apply charges as are allowed or required under the Rules. However, in no circumstances will the total Annual Management Charge exceed the maximum rate of Annual Management Charge permitted from time to time for a stakeholder pension scheme.

Copies of the Trust Deeds and Rules are available on request. Nothing in this document may be taken to override any of the provisions of the Trust Deed or Rules. If there is any inconsistency they shall take precedence.

15.4. No action will be allowed which would cause the Scheme to lose its status as a Registered Pension Scheme or a Registered Stakeholder Pension Scheme. We shall amend the terms of Your Plan to any extent which may be necessary from time to time in order that any Payments to Your Plan may be treated or continue to be treated as contributions to a Stakeholder Pension Plan. We shall notify you of any variation made for this purpose within one month of the change being made. Such notification shall be made in writing, which will be sent to you by post at the last address we have on record for you.

15.5. We also reserve the right to amend the terms of Your Plan to any extent necessary to ensure the Scheme remains a Registered Pension Scheme. This could restrict any of the following:

- alterations you want to make to Your Plan;
- our acceptance of any Payments;
- your exercise of any option; and
- the making of any Payment by us to you.

Benefits under Your Plan are paid in the currency of England.

15.6. Your Plan is based on information given to us. If any material fact within your knowledge is not disclosed or is misrepresented we may reject a Payment or claim or reasonably adjust the benefits payable according to the facts.

15.7. If when we receive evidence of your age it appears that a mis-statement has occurred we may reasonably adjust the benefits accordingly.

Acceptance of Payments

15.8. (i) If any Payments are made to us which we do not accept, or only part of which we accept, for reasons given in this section, then the amount which we do not accept will be treated as unpaid and will be returned by us. During this stage, all Payments are protected in a Client Money Account as described in section 17.4 until their treatment is established.

(ii) Paragraph (i) above will apply even if we have, initially, mistakenly accepted the Payments.

(iii) If paragraph (i) above applies on any occasion or if we inform you that we will not accept Payments, then for the purposes of section 1 it will be assumed that you have decided to pay only the amount which we accept (if any).

16. Surrender, commutation or assignment

16.1. No benefits payable under Your Plan is allowed to be surrendered, commuted or assigned whether in whole or in part except as set out elsewhere in Your Plan Conditions or the Rules.

18. Verification of identity

18.1. You authorise us to use personal information provided by you in order to conduct appropriate checks to enable us to comply with our obligations under Anti-Money Laundering Requirements. Accordingly, we may undertake a search with Experian for the purpose of verifying your identity. To do so, Experian may check the details we hold about you and which you have supplied against any particulars on any database (public or otherwise) to which Experian may have access. Experian may also use your details in the future to assist other companies for verification purposes. A record of the search will be retained. You may also be required to provide additional information. Should this be necessary, we shall write to you, explaining our requirements. WMUK may ask you to supply evidence of your identity and your address from time to time. Should we require you to provide evidence of your identity and address then we will ask you to provide either original or certified copy documents which are personal to you and which will enable WMUK to fulfil its regulatory obligations. Where original documents are provided, these will be copied for WMUK's sole record-keeping purposes. The originals will be returned to you. If certified copies are provided to us, these must conform to the standard set out in the Verification List. We will not accept documents that have been self-certified, nor will we accept documents certified by someone related to, in a relationship with or living with you. Please note that in certain circumstances we reserve the right to withhold redemption proceeds until we have received satisfactory proof of identity and/or address or such other requested information.

19. Client Money Account

19.1. We will hold money received from you, or received on your behalf, in a general client bank account, subject to clause 19.2, in accordance with FCA Rules, with an approved bank (as defined in the FCA Rules) in the UK. The bank will hold your money on our behalf in a trust account. Whilst interest might be earned on the balances held within this bank account, no interest will be payable to you in respect of such money. The money will not be used by us in any transactions other than as specified in these Terms and Conditions. We will not be responsible for any acts or omissions of any approved bank which holds your money.

In the event that you overpay WMUK for your investment by an amount which is less than £1 we may deem this amount to be due and payable to WMUK.

Initial charges in respect of investments will be payable to the firm on settlement with the Trustee. Any initial charge in respect of monies received more than one Business day ahead of the settlement date will be held in the Client Money bank account, until this money becomes due and payable to the firm, at which point it will be held within our corporate bank account. In all other instances the initial charge will be held within our corporate bank account.

Please note that, whilst the cash balance for each investor will be recorded separately, Client Money will be pooled with funds held on behalf of other investors. In the event of financial failure of WMUK or another institution holding your money, your money will be distributed in accordance with the FCA Rules and you may not receive the full amount of money back. We reserve the right to delay or withhold Payments to you in the event of financial failure of the institution which is holding your money such that we are unable to access that money. In those circumstances WMUK will not be liable to fund Payments to you out of our own resources.

19.2. We may make use of the delivery versus payment (DvP) exemption in relation to transactions in regulated collective investment schemes, as defined in the FCA Rules. You hereby consent to the use of this exemption.

19.3. If we cease to act as the Authorised Fund Manager of the Authorised Unit Trust in which you invest, we, in accordance with FCA Rules will either:

- a) transfer any Client Money balance which it may be holding on your behalf to the new Authorised Fund Manager, and you hereby consent to any such transfer; or
- b) continue to hold any Client Money balance on your behalf, subject to clause 17.4, until such time that you have returned all relevant documentation requested by us which is necessary for us to return the monies to you.

Any client money balances transferred on your behalf will be held in accordance with the FCA Rules; or if not, WMUK will exercise all due skill, care and diligence in assessing whether adequate measures will be applied in order to protect these sums prior to any transfer of business.

19.4. Client Money balances held by us on behalf of investors may be released from Client Money accounts after a period of at least six years. We will take the steps required by regulation to return your money to you prior to releasing any such balances and will make good any valid claim against any released balances. No interest will be payable on these balances.

20. Client reporting

Annual benefit statement

20.1. We will issue a statement to you each tax year detailing the contributions made, your investments and the value of Your Plan.

20.2. In most cases we will include an illustration of the estimated pension you might get when you retire in today's prices, this is known as the Statutory Money Purchase Illustration (SMPI). An SMPI is not included in certain circumstances, for example if you are aged over 75.

20.3. The annual benefit statement is issued in accordance with stakeholder pension regulations.

Reports and accounts

20.4. The annual accounting period of the Scheme ends on 30 September.

20.5. The annual report of the Scheme (the 'long report') will be available on or before the end of January and the half-yearly long report on or before the end of May in each year. Copies of the annual long report and half-yearly long report may be inspected, and copies obtained free of charge from us at the address in 17.1. These reports may also be inspected at the Trustee's office during normal office hours.

21. Client categorisation

21.1. For the purposes of the FCA Rules, we classify you as a 'Retail Client'. Classification as a Retail Client provides you with the highest level of regulatory protection under the FCA Rules.

We will never offer or provide you with any investment, trading, tax or financial advice. Nothing in these Terms and Conditions should be taken as a recommendation to buy, sell or hold shares in any company or other investments. You should rely on your own judgment when deciding whether or not to enter into any transaction or seek advice from a professional adviser.

We do not provide you with advice or discretionary management services under these Terms and Conditions. We will therefore not assess the suitability of an investment for you or the services that we provide to you. You will not benefit from the protection of the FCA rules on assessing suitability. You should contact a professional adviser if you require investment advice.

You must not use your Plan as collateral to guarantee a loan or otherwise try to grant rights over your Plan.

22. Amendments
