4. PENSION WISE GUIDANCE

Pension Wise is a government service that offers free and impartial guidance about your retirement options. The guidance service is available via the internet, over the telephone or face-to-face and will explain what options you have and help you think about how to make the best use of your pension savings. Pension Wise also has an information website.

The Government is concerned that, since it was set up, only a small proportion of individuals accessing their pension pot for the first time have used Pension Wise guidance. The Financial Conduct Authority (FCA) now requires us to check and record whether customers who are aged 50 and over have contacted Pension Wise to make full use of this free service and/or taken financial advice. At the time you come to access your funds, we will ask you to confirm whether you have used Pension Wise and/or taken financial advice.

Our team would be happy to assist in organising an appointment for you. Please get in touch to request this, and we can book a guidance appointment for you at a time and date that suits. Alternatively, should you prefer, you can book an appointment directly by going to www.moneyhelper.org.uk/pensionwise or calling 0800 138 3944. Please note, whether we book your appointment or not, we will still need to confirm and record whether you have used Pension Wise and/or taken financial advice.
